## **The mission of the Carle Place Soccer Club is:**

- to provide the opportunity of youth soccer to all children that the club serves, ages 4 thru 18, on many levels so that each child can take advantage of the benefits that youth soccer has to offer—at his or her own level.
- to teach and develop proper soccer skills, team participation, and good sportsmanship thru appropriate levels of competition both within the club (intramural) and outside of it (travel).
- to provide for the enjoyment and entertainment of its members by engaging in and promoting the sport of soccer.
